LEGEND

Based upon bathymetric surveys conducted by Maryland Geological Survey in July and August 2010. Source data is available on CD-Rom published with Coastal and Estuarine Geology, File Report 11-03.

Horizontal Coordinates are in Universal Transverse Mercator, North American Datum of 1983, Zone 18, meters.

Depth contours are referenced to Mean Pool Level which is defined to be 385.0 feet above Mean Sea Level (NGVD29).

Contour Interval is 1 Meter.

Shoreline is from natural color digital orthophotoquads flown on June 29, 2009 by NAIP. Supplemental shoreline information was digitized from 2007 NAIP IR Imagery. Digitized by MGS. Field verification of the shorelines by MGS in August 2010.
